

Provisionally Registered Pharmacist (PRP) Application Process Flow

Faculty of Pharmacy, Universiti Malaya

FAKULTI FARMASI
Faculty of Pharmacy

Important Notes:

1. Students must apply for a PRP number through the PRISMA website before starting the application process.
2. Hospital attachment: Submit Form FLL (II) at least 2 weeks before attachment. Earlier submission is encouraged as most hospitals require 2 months' notice.
3. PRP can only commence after the student has been enrolled in the Master's/ PhD programme for a minimum of two semesters (equivalent to one year).
